Wild Card Event is November 12th

Tournament of Champions is January 14th, 2021

Tournament of Champions Qualifications:

- ♣ Any player who finishes in 1st, 2nd or 3rd place at any of the four events will automatically be entered into the Tournament of Champions.
- ♦ Any player who qualifies more than once by placing in the top three in multiple events will receive a chip bonus at the Tournament of Champions.
- ♠ The Tournament of Champions will seat a maximum of 18 players.

Wild Card Event (November 12th):

Any player who makes it to the final table in any event and does not place 1st, 2nd or 3rd will qualify for the Wild Card event.

Also, any player who enters all four events in 2020 will qualify for the Wild Card event.

Each player who qualifies will receive a free entry into the event.

During the event players may rebuy and stack-add according to the rules in the regular events.

The top finishers in the Wild Card event will fill the remaining seats that are open in the Tournament of Champions.

Example: Two players qualify twice for the Tournament of Champions, so there are only 10 seats accounted for instead of 12. We will take the top 8 finishers in the Wild Card tournament to fill the open seats so that there are 18 players in the Tournament of Champions.

Tournament of Champions Rules:

There will be a random seat assignment at the beginning of the tournament. All participants in the Tournament of Champions will be allowed one rebuy or stack-add at this event. The prize fund for the Tournament of Champions will be at least \$1000.

New for 2020: To obtain a \$5000 bonus chip, players must purchase an entrée from Sweet Water Grill on the day of the event before the start of the break. The player must have chips remaining in order to claim bonus chips. There will not be any bonus chips for registering early for the events.

However, we strongly encourage players to let us know if they are planning to participate as there will be a maximum of 36 players at each event. If a player has not shown up by 7:00 pm will allow players on the waiting list to participate.
